Information Technology Graduate

(+60) 11 3916 3117 • zulaikhanazre39@gmail.com •
<https://www.linkedin.com/in/zulaikhanazili> • Banting, MY

PROFILE SUMMARY

Information Technology graduate with hands-on experience in IT infrastructure support, administrative operations, and education support roles. Possesses strong communication and teamwork skills, with technical knowledge in basic programming, networking fundamentals, and Microsoft Office. Adaptable, detail-oriented, and eager to develop professionally in a structured environment.

SKILLS

- **Technical Skills:** Java, Python, C++, MySQL, Arduino IDE, Cisco Packet Tracer, Windows OS Installation & Troubleshooting, Microsoft Word, Excel, PowerPoint
- **Administrative Skills:** Student Attendance Management, Student File & Record Management, Fee & Payment Recording, Module & Material Preparation, Parent Communication, Appointment & Registration Handling
- **Soft Skills:** Communication, Teamwork, Time Management, Adaptability

WORKING EXPERIENCE

Smart Math Tuition Centre Banting, Admin (Part-Time)

Feb 2025 – Present

- Managed student registration and appointment scheduling.
- Prepared learning modules and materials for multiple subjects.
- Recorded student fee payments and maintained accurate financial records in the system.
- Monitored and updated student attendance records.
- Assisted daily opening and closing operations of the tuition centre.

SK Teluk Kebun Baharu (MySTEP), Preschool Assistant

Jun 2025 – Nov 2025

- Managed preschool student attendance records and daily classroom administration.
- Assisted teachers in lesson preparation and implementation of Preschool Teaching & Learning (PDPR).
- Supervised student safety during school hours, including arrival and dismissal.
- Organized student work files and maintained accurate student records.
- Supported classroom operations during teacher absence to ensure continuity of learning.

SK Teluk Panglima Garang (MySTEP), Preschool Assistant

Mar 2025 – May 2025

- Recorded daily student attendance and assisted in classroom administrative tasks.
- Prepared and served meals according to preschool schedules and hygiene standards.
- Assisted teachers with learning activities and classroom management.
- Maintained clean, safe, and organized classroom and pantry environments.
- Ensured students' safety and well-being throughout school sessions.

Alti Genius Childcare Centre, Playschool Teacher

Mar 2024 – Oct 2024

- Planned and delivered age-appropriate learning activities focusing on basic literacy, numeracy, and creativity.
- Implemented creative teaching approaches to support early childhood development.
- Supported children's social, emotional, and behavioral development through guided activities.
- Ensured child safety during physical and indoor activities.
- Prepared daily meals in compliance with JKM Standard Operating Procedures (SOP).

- Communicated regularly with parents regarding children's progress and development.

Sime Darby Plantation Research Sdn Bhd, IT Infrastructure Technician (Internship) May 2023 – Sep 2023

- Performed installation, configuration, and maintenance of IT infrastructure and network devices.
- Installed and updated Windows 11 across departmental PCs.
- Configured and troubleshoot network access points across laboratories and workshops.
- Maintained inventory records of laptops and mobile devices using Microsoft Excel.
- Prepared device documentation including MAC addresses and serial numbers for Samsung Knox registration.
- Updated network floor plans, IP addressing, and access point layouts.

PROJECT EXPERIENCE

Smart Wallet Tracker (Final Year Project)

Jul 2022 – Mar 2023

- Developed a Smart Wallet Tracker system using RFID technology for real-time item detection and navigation.
- Designed and implemented RFID-based tracking mechanism to alert users when items are misplaced.
- Conducted system testing and validation to ensure accuracy and reliability of item detection.
- Applied embedded programming and microcontroller integration (Arduino IDE, sensors) to achieve project objectives.

Computer Lab WiFi Installation (Kolej Vokasional Sepang)

Jul 2020 – Sep 2020

- Installed and configured network infrastructure for computer lab by extending internet connection from main server room.
- Laid and connected Cat6 and Cat5e cables to establish stable and high-speed Wi-Fi access for lab computers.
- Coordinated with IT staff to ensure proper connectivity and testing of network performance.
- Maintained documentation of cable layout and network configuration for future maintenance.

EDUCATION

Universiti Teknologi MARA Shah Alam

Expected 2030

Bachelor of Information Science (Hons) Information System Management | CGPA 3.00

Kolej Vokasional Sepang

Dec 2023

Diploma in Information Technology | CGPA 3.74

Kolej Vokasional Sepang

Dec 2020

Malaysia Vocational Certificate in Computer Systems and Networking | CGPA 3.95

CERTIFICATIONS & TRAINING

- **Apple Teacher** – SK Bandar Kuala Langat, 2025
- **Gemini Certified Student** – Google for Education, 2025
- **The 9th International Conference on e-Learning (iCeL 2025)** – Universiti Teknologi MARA, 2025
- **Sijil Kemahiran Malaysia (SKM) Tahap 3** – Malaysia Skills Certification, 2023
- **K-Youth Data Analytics Program (Artificial Neural Network, Data Analytics)** – Universiti Tun Hussein Onn Malaysia (UTHM), 2023
- **K-Youth Professional Development Program (Industry Readiness & Technical Skills)** – Khazanah Nasional Berhad, 2023

- **Basic Arduino Installation & Programming (Arduino IDE, Sensors, Microcontroller)** – Institut Perindustrian MARA-Jepun (MJII), 2022
- **Cisco CCNA 1 (Networking Fundamentals, IP Addressing, Routing & Switching)** – Cisco Networking Academy

LANGUAGE

- **Malay** - Native
- **English** - Fluent
